

# PARMA HISTORIC MARKER ACTIVITY & COLORING CONTEST

America 250 reminds us to stop and appreciate the history around us. Many historical markers are placed around our town and the village to 'mark' an important event or person from Parma Hilton history.

**Directions:** Color in this page and come up with a short description for your marker by researching a local, personal, or family story. Consider a significant, often overlooked spot, like a favorite park, an old building, or the site of a personal memory, and design your own special marker below. **\*Please write your contact phone number and email on the back of this page so that winners may be notified.**
